

Group	Image	Prerprocessing
1	Budapest	Resize image to a square shape (640x640)
10	Flowers	Rotate 180° de image
11	Landscape	Histogram equalization
12	Monument	Add to each channel of the image the constants 40
13	Mountains	Rest to each channel of the image the constants 50
14	Sparrow	Histogram equalization
15	Budapest	Add to each channel of the image the constant 28
16	Flowers	Resize image to a square shape (470x470)
17	Landscape	Rotate 180°
18	Monument	Histogram equalization
19	Mountains	Add to each channel of the image the constants 44
2	Sparrow	Rest to each channel of the image the constants 48
20	Budapest	Rotate 180°
21	Flowers	Histogram equalization
22	Landscape	Add to each channel of the image the constants 30
23	Monument	Rest to each channel of the image the constants 32
24	Mountains	Resize image to a square shape (470x470)
25	Sparrow	Add to each channel of the image the constants 48
27	Budapest	Add to each channel of the image the constant 38
29	Flowers	Add to each channel of the image the constants 40
30	Landscape	Resize image to a square shape (640x640)
34	Monument	Resize image to a square shape (640x640)
35	Mountains	Histogram equalization
42	Sparrow	Resize image to a square shape (470x470)
44	Budapest	Rest to each channel of the image the constant 50
47	Flowers	Resize image to a square shape (640x640)
48	Landscape	Rest to each channel of the image the constants 27
7	Monument	Rotate the image 180°
9	Mountains	Rotate the image 180°
